From

H J BHABHA, Esq,
Inspector General of Education in Mysore,

To

The Secretary to the Government of Mysore,
General and Revenue Departments,
Bangalore.

SIR

I have the honour to inform you that the Government Anglo-Vernacular School, Kannada Girls' School and Hindustani Boys School at Nagamangala were all held in the old Taluk Cutcherry building which was given over to the Education Department some time ago. For want of accommodation however for all the three schools, the Hindustani School was removed to a separate rented house. The building is a large one and has three outer doors

opening into three different streets There is however only one peon on Rs 5 and a Sweeper on Rs 3 attached to the Anglo-Vernacular School and a Conductress on Rs 4 attached to the Girls' School When the Hindustani School was located in the building it was possible to arrange with the peons of both the Anglo-Vernacular School and the Hindustani School for the watching of the school at night. But since its transfer to a separate building the work of keeping watch has fallen entirely on the single peon of the Anglo-Vernacular School who works from 6 A.M to 5 P.M every day and has also to sleep at night on the premises. As the peon has without the night watch, more work than he can do and as the building is too large to be watched by one peon, I request that Government may be pleased to sanction the appointment of another peon on Rs 6 I beg to recommend also that the pay of the Sweeper may be raised from Rs 3 to Rs 4 as he has to keep the large premises of the school clean.

I have the honour to be,
Sir
Your most obedient servant,
H J Bradshaw
Inspector General.
